INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ATIMPSUDA INTEGRATED SERVICES LIMITED

OPINION ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of ATIMPSUDA INTEGRATED SERVICES LIMITED which comprise the statement of financial position as at 31 December, 2020, and the statement of comprehensive income, statement of changes in equity and the statement of cashflows for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 December, 2020, and its financial performance and cashflows for the year then ended in accordance with the International Financial Reporting Standards (IFRS) and the relevant provisions of the Companies and Allied Matters Act (CAMA), CAP C20 Laws of the Federation of Nigeria 2020, and the Financial Reporting Council of Nigeria (FRCN), Act No. 6, 2011.

BASIS OF OPINION

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. No such matters were identified during our audit.

OTHER INFORMATION

The Directors are responsible for the other information. The other information comprises the Report of the Directors, Board Committee Reports and the Annual Report. The other information does not include the financial statements and the auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

ATIMPSUDA INTEGRATED SERVICES LTD.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS FOR THE FINANCIAL STATEMENT

The Directors who constitute the accounting authority are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRS) and the relevant provisions of the Companies and Allied Matters Act (CAMA), CAP C20 Law, of the Federation of Nigeria, 2020, and the Financial Reporting Council of Nigeria (FRCN), Act No. 6, 2011 and for such internal control as the Directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

AUDITORS RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be brought to bear on our independence, and where applicable, related safeguards.

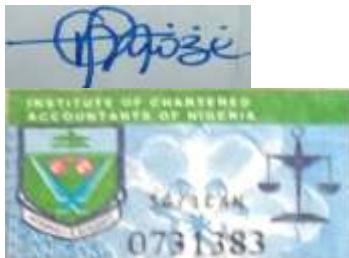

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ATIMPSUDA INTEGRATED SERVICES LTD.

If based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS FOR THE FINANCIAL STATEMENT

The Directors who constitute the accounting authority are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting

ATIMPSUDA INTEGRATED SERVICES LTD.

(FRCN), Act No. 6, 2011 and for such internal control as the Directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

AUDITORS REPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.

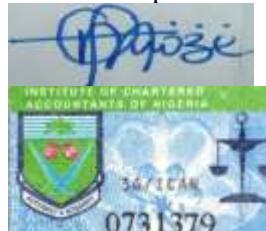

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be brought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of Schedule 6 of the Companies and Allied Matters Act (CAMA), CAP C20 Laws of the Federation of Nigeria 2020, we confirm that:

- i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
- ii. In our opinion, proper books of account have been kept by the Company, in so far as it appears from our examination of those books.
- iii. The Company's financial statements as at 31 December, 2021 and the statement of comprehensive income are in agreement with the books of account.
